Hi Gary,

I have made some revisions to your IGCE... cleaning up the assumptions and adding language that you had emailed to me in response to my earlier comments. I also corrected a few errors on the TO Request form. If you are good with them as-is, please get approval from Ronnie for obligating \$668,000 of 18 T 6A00E funds for the work. Thanks!

Will:

See attached. This is one that we need to get funded before September 7. I will have another site submitted later or early next week. I labored over getting cost information so I hope this is sufficient.

Thanks
